EXPERIENCE

Product Manager - Xiaomi Technology India

Bangalore | Sep 2022 - Present

- Owned end-to-end product strategy for MIUI Themes & Xiaomi TV+ (CTV/FAST) across **100M+ users**, driving growth, monetization, and retention.
- Drove **29.87% global & 46.13% India revenue growth** via pricing, content, and distribution optimization.
- Generated **\$1.8M+ ad revenue (+44.78%)** by optimizing ad placements, inventory strategy, and funnel conversion.
- Increased TV+ DAU by 53.25% by identifying drop-offs in content discovery and improving user flows across FAST channels.
- Improved OTT campaign performance (CTR **+31.44% / +25.26%**) using segmentation and event-driven strategies.
- Ran **A/B experiments on pricing, content placement, and localization**, improving engagement and conversion.
- Scaled acquisition: **14K → 200K Instagram (~14x growth)**, contributing **~30% of total app downloads** and building a **2K+ creator ecosystem**.
- Launched **AI + multilingual (8 languages)** content strategies, improving retention across regions.
- Secured **\$150K+ sponsorships** and unlocked new monetization streams.

Product Specialist - Nuntiare Promotions

Pune | Nov 2020 – Aug 2022

- Managed campaigns for **leading consumer tech brands (including Xiaomi)**, driving **15–25% user acquisition growth**.
- Analyzed user behavior and optimized funnels, improving **conversion rates by ~18%**.
- Ran A/B experiments on creatives and targeting, increasing **campaign ROI by 20%+**.
- Reduced drop-offs by **~12%** through funnel and content optimizations.

PROJECTS

BuffyWalls (190K+ downloads | 4.7★)

- Improved retention by **30%** through UX and engagement optimizations.
- Built a highly engaged user base with **75%+ monthly active rate**.

ACHIEVEMENTS

- #1 MIUI Theme Designer globally (featured by Xiaomi Global)
- Built a **2500+ designer community**.
- Designed UI for Redmi Note 13 Pro+ AFA Edition.
